* Deductible applies.
† Only applies to specialty care office visits

**Notes:**
- Deductible and out-of-pocket maximum amounts are per person, but no more than 2 times per family.
- You pay the specialty prescription drug copay after the deductible for drugs administered in connection with outpatient office visits.
- Coinsurance (%) is based on our allowance.
- Telehealth options include video, phone, email, and more.
- Prescription drug copays are for a 30-day supply at Kaiser Permanente pharmacies. You pay only 2 copays for up to a 90-day supply for most drugs through Kaiser Permanente’s mail-order program. This is a summary of the features of the Kaiser Permanente health plan. Before making a final decision, please read the Plan’s Federal brochure (RI 73-019).
Here’s what you’ll pay

These rates do not apply to all enrollees. If you are in a special enrollment category, please refer to the FEHB Program website or contact the agency or Tribal Employer which maintains your health benefits enrollment.
