

Medicare Part B reimbursement for FEHB members

Federal members enrolled in the High Option Medicare Advantage 2 (HMO) plan can get reimbursed up to \$175 per month for your Medicare Part B premiums, including any additional amount you pay for the late enrollment penalty and/or Income Related Monthly Adjusted Amount (IRMAA).

Do I need to submit proof of the amount I pay for Part B?

Most people do not need to submit proof. We'll automatically reimburse you for the standard Medicare Part B premium. You only need to submit proof of the total amount you pay for Part B if you pay extra charges for the late enrollment penalty or IRMAA. You must submit this proof once each plan year.

You can download the FEHB Medicare Advantage 2 Proof of Premium form at kp.org/feds. The form explains what you can submit and how you can send the form to us.

I'm enrolled in Medicare Advantage 2 and my spouse will turn 65 soon.

What does my spouse need to do to get Part B premium reimbursement?

Your spouse will only need to enroll in Medicare Advantage. An FEHB enrollee (employee or retiree) completes a Medicare Advantage 2 enrollment application. Once accepted, all family members enrolled in Medicare Advantage will have Medicare Advantage 2 and will be eligible for Part B premium reimbursement. If your spouse pays extra charges for the late enrollment penalty or IRMAA, they will also need to submit proof once per year.
