

Get Fit. Get Rewarded.

We all know that regular exercise is important for your total health. It provides so many benefits—managing your weight, improving your balance and flexibility, and relieving everyday stress. It can also help lower your risk for serious health conditions, such as diabetes and high blood pressure.

For members on Kaiser Permanente’s FEHB Prosper with the Healthy Returns program, you can enjoy the benefits of exercise and receive reimbursement for your qualifying fitness center dues. Enroll with a qualifying fitness center, and you can be reimbursed up to \$500 of your membership dues each calendar year. It couldn’t be easier!

Here’s how to get started!

1. Find a fitness center:
 - Choose one from the Active&Fit® network by going to www.ActiveandFit.com or call **1-877-750-2746**, Monday through Friday, **5 a.m. to 6 p.m.** Pacific time.
 - Select a qualifying fitness center not in the network. Qualifying centers must offer regular cardiovascular, flexibility, and/or resistance training exercise programs and/or may include instructor-led classes (such as Zumba®, Pilates, “step” classes, yoga, aqua, etc.), must offer a membership agreement, be open to the public, and must have staff oversight. Staff oversight means that during normal hours of operations, the fitness center has employees that oversee the operations of the center and attend to members. Fitness centers within an apartment or hotel that do not have staff oversight are examples of centers that do not meet this definition.
2. Obtain a copy of your proof of payment showing your name, your fitness center’s name, the payment amount, and the dates for which payment is being applied.
3. Complete the Healthy Returns Reimbursement Request Form and send it, along with your membership agreement.

Forms are available at kp.org/feds or by calling **1-877-750-2746**.

Please note that your reimbursement period ends on the last day of the calendar year (or December 31, 2022). Your reimbursement period begins on the first day you are enrolled in Prosper and are also enrolled with a qualified fitness center.

Also, all reimbursement requests must be received **no later than 90 days** after the end of each reimbursement period.

Members' reimbursements will be processed within 30 days of receiving the completed documentation. To receive the full annual reimbursement amount of up to \$500, members can wait to submit a reimbursement request until the full \$500 has been paid.
