Federal members enrolled in the High Option Senior Advantage 2 (HMO) or Standard Option Senior Advantage 2 (HMO) plans can get reimbursed up to $250 per month for your Medicare Part B premiums, including any additional amount you pay for the late enrollment penalty and/or Income Related Monthly Adjusted Amount (IRMAA).

Do I need to submit proof of the amount I pay for Part B?
Most people do not need to submit proof. We’ll automatically reimburse you for the standard Medicare Part B premium. You only need to submit proof of the total amount you pay for Part B if you pay extra charges for the late enrollment penalty or IRMAA. You must submit this proof once each plan year.

You can download the FEHB Senior Advantage 2 Proof of Premium form at kp.org/feds. The form explains what you can submit and how you can send the form to us.

I’m enrolled in Senior Advantage 2 and my spouse will turn 65 soon. What does my spouse need to do to get Part B premium reimbursement?
Your spouse will only need to enroll in Senior Advantage. The subscriber (FEHB employee or retiree), or dependent applicant who has obtained the express authorization from the subscriber to enroll in Senior Advantage 2, completes a Senior Advantage 2 enrollment application. Once accepted, all family members enrolled in Senior Advantage will have Senior Advantage 2 and will be eligible for Part B premium reimbursement. If your spouse pays extra charges for the late enrollment penalty or IRMAA, they will also need to submit proof once per year.
