

Two great dental programs

For 2024 Kaiser Permanente Federal Members

You must be enrolled in one of Kaiser Permanente's medical plans to elect KPIC Dental Insurance Plan or DeltaCare® USA dental coverage

Kaiser Permanente is pleased to offer Federal employees and eligible Federal retirees and dependents who are currently enrolled or planning to enroll in one of Kaiser Permanente's medical plans a choice of the dental plans described below. Option 1 is a dental PPO plan underwritten by Kaiser Permanente Insurance Company (KPIC), a subsidiary of Kaiser Foundation Health Plan, Inc., and is administered by Delta Dental of California (Delta Dental). Option 2 is a DeltaCare® USA dental HMO program provided by Delta Dental of California and administered by Delta Dental Insurance Company. (These companies are financially responsible for their own products.) These benefits are neither offered nor guaranteed under a contract with the Federal Employees Health Benefit (FEHB) Program, but are made available to all enrollees and family members who become members of Kaiser Permanente.

During the annual open enrollment period, you have the opportunity to enroll in one of the two plans. If you are already enrolled, you may change plans during this period. Your coverage under the enrolled plan will become effective on January 1, 2024 and will extend through December 31, 2024, subject to your continued premium payments and enrollment in Kaiser Permanente's traditional HMO Plan. If you are already enrolled under one of the two dental plans and are not planning on changing your coverage, you do not need to complete the enrollment form. If you are changing plans, you must provide 30-days advance written notice of termination. If you are covered under Option 1, the notice must be sent to Delta Dental (see page 11 for address). If you are covered under Option 2, the notice must be sent to DeltaCare USA (see page 23 for address).

1

KPIC's Dental PPO Insurance Plan allows you the freedom to see any licensed dentist of your choice. It uses a Table of Allowances that lists the dollar amount KPIC will pay for each covered dental service. With KPIC's Dental PPO Insurance Plan . . .

- Table of Allowances lists the specific dollar amount payable for each covered dental service.
- Your out-of-pocket costs will usually be lowest if you visit a Delta Dental PPO™ Dentist (PPO Dentist). - Find Delta Dental dentists at deltadentalins.com.
- Orthodontic services (braces) are not covered.
- Claims are handled for you when you visit one of Delta Dental's approximately 47,100 participating dentist locations in California.
- Use your 10-digit Kaiser Permanente Medical Record Number (MRN) or your social security number as your ID (to use your MRN, include the leading zeros).
- There is an annual deductible of \$50 per person (\$150 maximum per family); the maximum coverage annually is \$1,000 per person.

KPIC Dental PPO Insurance Plan

One of your non-FEHB Dental plan options is a dental PPO insurance plan underwritten by KPIC, and administered by Delta Dental of California.

KPIC’s dental PPO insurance plan uses a Table of Allowances and allows you the freedom to see any licensed dentist of your choice. The Table of Allowances lists the dollar amount KPIC will pay for each covered dental service. A copy of the Table of Allowances is shown on pages 6 and 8 of this brochure.

The monthly premiums for calendar year 2024 are listed below:

KPIC Dental Insurance Plan	Monthly premium*
Self only	\$37.55
Self and 1 Party	\$66.54
Self and 2 or more	\$100.03

* Good through December 31, 2024

These benefits are neither offered nor guaranteed under contract with the FEHB Program.

Note: This is only a brief description of your coverage. A certificate of insurance and schedule of coverage setting forth the terms and conditions of your coverage will be sent to you after you enroll. The dental coverage described in this section of the brochure is underwritten by Kaiser Permanente Insurance Company, a subsidiary of Kaiser Foundation Health Plan, Inc. (KFHP).

About KPIC’s Dental Insurance Plan

If you’re concerned about the cost of dental treatment for you and your family, you should know about KPIC’s dental PPO insurance plan. With a low monthly premium, KPIC’s group dental insurance plan allows you to budget for your annual dental costs. You can do this because KPIC’s dental PPO insurance plan contains a Table of Allowances listing the specific dollar amount KPIC will pay for each covered dental service. Since you receive in advance the complete Table of Allowances for the plan, you’ll know exactly how much of your treatment will be covered. Because dental fees do vary by dentist, it may be to your advantage to compare your dentist’s fees prior to making an appointment.

Who can join

As a Federal employee or a Federal retiree enrolled in one of Kaiser Permanente’s Plans, you and your eligible dependents are eligible for coverage under KPIC’s dental PPO insurance plan. Your eligible dependents include your lawful spouse and children from birth to age 26, including stepchildren and children placed with you for adoption or foster care. A child 26 years of age or older may continue to be eligible as a dependent if incapable of self-support due to a mental or physical disability that commenced prior to age 26, provided that the person is chiefly dependent upon the eligible member, due to a mental or physical disability, and Delta Dental receives notice of the disability.

Free choice of dentists

You may see any dentist for your covered treatment whether the dentist is a PPO Dentist, Premier Dentist or a Non-Delta Dental Dentist. However, as a PPO plan, the greatest benefits - including out-of-pocket savings - occur when you choose a PPO Dentist. You can find Delta Dental dentists at deltadentalins.com. To use KPIC’s dental PPO insurance plan, simply make an appointment with the dentist of your choice. Be sure to give the dental office your Kaiser Federal plan ID number and social security number or Medical Record Number (MRN).

Special advantages from Delta Dental dentists

KPIC’s dental PPO insurance plan is administered by Delta Dental of California, and you get special advantages when you go to one of the more than 47,100 Delta Dental dentist locations in California. These participating dentists have agreed to handle all your claims paperwork and to charge you no more than their Delta Dental contracted fees. As KPIC’s administrator, Delta Dental reimburses these dentists directly, so you are responsible only for the amount of the charge that exceeds the covered amount shown in

the Table of Allowances and any deductible, non-covered services and/or amount over the annual maximum. Your out-of-pocket costs will usually be lowest if you visit a Delta Dental PPO Dentist. If you can't find a PPO Dentist, a Delta Dental Premier Dentist is your next best option. PPO and Premier Dentists will not bill you above their Delta Dental contracted fees for covered services (no "balance billing"). You may use your 10-digit Kaiser Permanente Medical Record Number (MRN) or your social security number as your ID number (to use your MRN, include the leading zeros). Find Delta Dental dentists at deltadentalins.com. If you go to a Non-Delta Dentist (a dentist not contracted with Delta Dental), you are responsible for the entire charge and must submit a claim to Delta Dental for reimbursement. Delta Dental will reimburse you directly for the amount shown in the Table of Allowances. Since a majority of California's dentists are Delta Dental dentists, your current dentist is probably already participating. Ask your dentist if he or she is a Delta Dental dentist.

Predictable costs

With KPIC's dental PPO insurance plan you know exactly how much KPIC will pay for a covered dental service. Just refer to the Table of Allowances on pages 6 to 8 of this brochure to see how much KPIC will pay for each covered dental service.

No deductible on diagnostic and preventive services

Your calendar year deductible is \$50 per person, up to a maximum of \$150 for the family. There is no deductible on diagnostic and preventive services. Your benefits cover a maximum of \$1,000 of dental services for each covered enrollee per calendar year.

When you enroll in KPIC's dental PPO insurance plan, you are enrolling for a minimum period of 12 consecutive months. This does not apply if your employment is terminated.

Waiting periods

Some of the covered dental services listed in the Table of Allowances are subject to a waiting period. This is the period of time that you and your covered dependents are required to have been continuously covered under KPIC's dental PPO insurance plan before a specific dental service will be a covered benefit. Consult the Table of Allowances on pages 6 and 8 of this brochure for the specific dental services that are subject to a waiting period.

Benefits

KPIC's dental PPO insurance plan covers the following benefits when they are provided by a licensed dentist and when necessary and customary by the standards of generally accepted dental practice:

I. Diagnostic and preventive benefits

Diagnostic

- oral examinations
- x-rays
- diagnostic casts
- biopsy/tissue examinations

- specialist consultations

Preventive

- prophylaxis treatments (cleanings)
- fluoride treatments

- space maintainers

Limitations on diagnostic and preventive benefits

- Benefits for oral examinations are limited to two exams in any calendar year while the patient is covered under any KPIC dental insurance plan. See "Additional benefits during pregnancy."
- Benefits for cleanings or a procedure for cleaning are limited to two in any calendar year while the patient is covered under any KPIC dental insurance plan. See "Additional benefits during pregnancy." Routine cleanings are covered as diagnostic and preventive and periodontal cleanings are covered as a basic benefit.
- Fluoride treatments are limited to two in any calendar year while the patient is covered under any KPIC dental insurance plan.
- Full mouth x-rays are covered only after five years have elapsed following any prior provision of full mouth x-rays under any KPIC dental insurance plan. Bitewing x-rays are covered on request by the dentist, but not more than twice in a calendar year for children through 18, and once in a calendar year for adults, while the patient is an eligible person under any KPIC dental insurance plan.
- Panoramic x-rays are provided as an individual service only after five years have elapsed since any prior panoramic x-ray was provided under any KPIC dental insurance plan.
- Additional benefits during pregnancy: If you are pregnant, KPIC will pay for additional services to help improve your oral health during pregnancy. The additional services each calendar year while you are eligible in this KPIC dental insurance plan include: one additional oral examination and either one additional routine cleaning or one additional periodontal scaling and root planing per quadrant. Written confirmation of your pregnancy must be provided by you or your dentist when the claim is submitted.

II. Basic benefits

Oral surgery

- extractions and certain other surgical procedures, including pre- and post-operative care

Restorative

- amalgam, synthetic porcelain and plastic restorations (fillings) for treatment of carious lesions (visible destruction of hard tooth structure resulting from the process of dental decay)

Endodontics

- treatment of the tooth pulp (root canal treatment)

Periodontics

- treatment of gums and bones supporting the teeth

Sealants

- protective coating for posterior molar teeth

Emergency

- palliative treatment

Limitations on basic benefits

- Periodontal scaling and root planing is a benefit once for each quadrant each 24-month period. See “Additional benefits during pregnancy.”
- Basic restorative benefits are subject to a six-month waiting period.
- Sealants are available for first molars for eligible persons through age 8 and for second molars for eligible persons through age 15. The benefit includes the application of sealants only to permanent first and second molars with no caries (decay), with no restorations and with the occlusal surface intact. The sealants benefit does not include the repair or replacement of a sealant on any tooth within two years of its application.

III. Crowns, inlays, onlays and cast restoration benefits

- crowns, inlays, onlays and cast restorations will be covered when teeth cannot be restored with amalgam, synthetic porcelain or plastic restorations

Limitations on crowns, inlays, onlays and cast restoration benefits

- Crowns, inlays, onlays and cast restoration benefits are subject to a six-month waiting period

IV. Prosthodontic benefits

Procedures for construction or repair of fixed bridges, partial or complete dentures

Limitations on prosthodontic benefits

- Prosthodontic treatment is subject to a six-month waiting period. See Table of Allowances for further reference.

- Prosthodontic appliances that were provided under any KPIC program will be replaced only after five (5) years have passed, except when KPIC determines that there is such extensive loss of remaining teeth or change in supporting tissue that the existing fixed bridge or denture cannot be made satisfactory. Fixed prosthodontic appliances are limited to Enrollees age 16 and older. Replacement of a prosthodontic appliance not provided under a KPIC program will be made if KPIC determines it is unsatisfactory and cannot be made satisfactory.
- KPIC dental PPO insurance plan will pay the listed allowance toward the dentist's fee for a standard cast chrome or acrylic partial denture or a standard complete denture. (A “standard” complete or partial denture is defined as a removable prosthetic appliance provided to replace missing natural, permanent teeth and which is constructed using accepted and conventional procedures and materials.)
- KPIC will not pay for implants (artificial teeth implanted into or on bone or gums), their removal or other associated procedures, but KPIC will credit the cost of a crown, pontic or standard complete or partial denture toward the cost of the implant associated appliance i.e., the implant supported crown or denture. The implant appliance is not covered.

V. General limitations — optional services

- If an eligible person selects a more expensive plan of treatment than is customarily provided, or specialized techniques rather than standard procedures, KPIC will pay the listed allowance for the lesser procedure, and the patient is responsible for the remainder of the dentist's fee (examples: a crown where a silver filling would restore the tooth or a precision denture where a standard denture would suffice).

VI. General exclusions

- Treatment of injuries covered by Workers' Compensation or Employer's Liability Laws.
- Services which are provided to the Covered Person by any Federal or State Governmental Agency or are provided without cost to the Covered Person by any municipality, county or other political subdivision, unless this exclusion is prohibited by law.

for medically diagnosed congenital defects or birth abnormalities.

Examples include but are not limited to: equilibration, periodontal splinting, occlusal adjustments or occlusal guards and abfraction.

- Dental practice administrative services including but not limited to, preparation of claims, any non-treatment phase of dentistry such as provision of an antiseptic environment, sterilization of equipment or infection control, or any ancillary materials used during the routine course of providing treatment such as cotton swabs, gauze, bibs, masks or relaxation techniques such as music.
- Charges for speech therapy.
- Charges for lost or stolen appliances.
- Services for which no charge is normally made in the absence of insurance.

- Deductibles, amounts over plan maximums and/or any service not covered under the dental plan.
- Services covered under the dental plan but exceed Benefit limitations or are not in accordance with processing policies in effect at the time the claim is processed.
- Procedures not shown on the Table of Allowances.

To determine how much your out-of-pocket costs will be and what services will be covered, ask your dentist to obtain a pre-treatment estimate from Delta Dental.

Pre-existing conditions are not excluded in the DeltaCare USA program. Exception: work in progress.

Prepaid program saves on dental costs

Your out-of-pocket savings could be substantial. You know the exact cost prior to treatment, allowing you to predict future dental expenses.

When you enroll in this program, you are enrolling for a minimum of 12 consecutive months. This does not apply if your employment is terminated.

Quality review of dental providers

On-site audits of participating dental locations ensure that established standards of quality are maintained.

Specialty services

The DeltaCare USA program offers services in dental specialty areas. These include periodontics (treatment of diseased gums and bone), endodontics (root canal therapy) and oral surgery procedures. Specialty services must be referred by the assigned Contract Dentist and some procedures may require preauthorization. If an enrollee is assigned to a dental school clinic for specialist services, those services may be provided by a dentist, a dental instructor, a clinician or a dental student under the supervision of a dentist.

The DeltaCare USA program provides benefits for listed dental procedures (subject to the provisions, limitations and exclusions shown in the Combined Policy and Disclosure Form) if care is provided by your assigned Contract Dentist.

When you enroll in DeltaCare USA, you select a participating dental office from the DeltaCare USA Network directory to take care of dental needs for you and your family. After you have enrolled, you will receive an Combined Policy and Disclosure Form booklet that fully describes the benefits of your dental program, a welcome letter and a DeltaCare USA membership card. The welcome letter will have the address and telephone number of your participating network dentist. To receive all necessary dental care covered by the program, simply call your selected dental office to make an appointment.

Remember to always contact your assigned Contract Dentist. With the exception of certain Emergency Dental Services or Urgent Dental Services, treatment received other than from the enrollee's assigned Contract Dentist or not prior authorized by Delta Dental will not be covered under the DeltaCare USA program.

Terms and conditions are arranged between you and the orthodontist.
- A consultation fee may be charged if treatment is not required, or if you elect not to start treatment after a diagnosis and consultation have been completed.
- Pre-, mid- and post-treatment records (cephalometric x-rays, tracings, photographs and study models) are excluded.
- Retreatment of orthodontic cases is excluded.
- Lost, stolen or broken appliances are excluded.
- Orthodontic treatment in progress is limited to new DeltaCare USA enrollees who, at the time of their original effective date, are in active treatment started under their previous employer sponsored dental plan, as long as they continue to be eligible under the DeltaCare USA program. Active treatment means tooth movement has begun. Enrollees are responsible for all copayments and fees subject to the provisions of their prior dental plan. Delta Dental is financially responsible only for amounts unpaid by the prior dental plan for qualifying orthodontic cases.
