The basics: Kaiser Permanente Senior Advantage for Federal Members (HMO)

A Kaiser Permanente FEHB Medicare health plan combines all your coverage into one simple plan and offers additional benefits like Part B premium reimbursement.

PART B PREMIUM REIMBURSEMENT

- With a qualifying plan,* Kaiser Permanente will reimburse you for your full Part B premium, up to \$250 per month. This covers what most people pay, including late enrollment penalties (LEP) and income related monthly adjustment amount (IRMAA). This benefit is not taxable as it is paid from a health reimbursement account (HRA).
- Most people pay the standard Part B premium, which was \$164.90 per month in 2023. There are 2 circumstances which will make this premium higher:
 1. Late enrollment: If you didn’t sign up for Part B when you were first eligible, your monthly premium for Part B would be 10% higher for each full 12 months in the period that you could have had Part B but didn’t sign up for it.
 2. Higher income: If your income in 2023 was greater than \$97,000 if you file individually or \$194,000 if you’re married and file jointly, you may pay an Income Related Monthly Adjustment Amount (also known as IRMAA) for Parts B and D.

NOTE: As your income adjusts in retirement, so does your IRMAA.

Part B reimbursement: All FEHB health plans are encouraged to offer attractive and competitive benefits to enhance Medicare coverage for Federal retirees. Our Medicare plans support this goal by offering lower cost-sharing, additional benefits, and Part B premium reimbursement benefit so you get the most of your FEHB and Medicare coverage.

*Senior Advantage 2 (HMO) for High or Standard Option.

Senior Advantage choices for FEHB members

- As a Federal enrollee, you get to choose the Senior Advantage plan that best fits your health and wellness goals.
- If you are also covering dependent(s) that are not Medicare eligible, they will remain enrolled in the commercial plan.
